Product Description

Product Description:

Lightweight Breast Milk Silicone Storage Bags Portable With Nipple

250ML Stand Up Pouch Bags Breast Milk Storage Bags And Durable Microwave Safe With Nipple

BOBER's Breast Milk Storage Bag is the perfect solution for storing and preserving breast milk. This milk storage container is microwave safe, making it easy to warm up your milk when you need it. It also features a write-on label so you can easily identify the contents and date. With its standard size and transparent color, this milk storage bag is a great option for mums who are looking for an easy and convenient way to store their milk.

The Breast Milk Storage Bag is a great way to store your breast milk safely and securely. It is made of BPA-free silicone, making it safe to use for your baby's health. It is also freezer safe, so you can store it in the freezer for later use. The bottle is extremely well sealed, giving you extra security and convenience when storing it. It is also pre-sterilized for your convenience, and it is dishwasher safe as well, making it easier to clean. With a write-on label, you can easily identify the contents of the bag.

Bober's Breast Milk Storage Bag is the ideal choice for any mum who needs a safe and reliable way to store their breast milk.
