Easy to Clean Yes Silicone Reusable Straw with Straight Design

#### **Product Description:**

Our Reusable Silicone Straw is an eco-friendly non-plastic straw that is ideal for everyday use. This straw is made from high-quality, flexible silicone and is collapsible, so it can be easily stored when not in use. It is a straight straw with a heat-resistant design that can withstand high temperatures and is dishwasher safe for quick and easy cleaning. It is also incredibly flexible and can be used for both hot and cold drinks. Our Reusable Silicone Drinking Straws are the perfect choice for anyone looking for an environment-friendly alternative to plastic straws.
